

PIRANDELLO is New Writing South's database of professional writers living or working in the south east. It is the gateway to finding good, professional writers living and working in the south east region.

PIRANDELLO offers writers in the south east a fantastic opportunity to publicise their work and reach new contacts. Companies and individuals who contact both New Writing South and Arts Council England, South East, looking for a writer, are referred to PIRANDELLO

Applications are invited from members and other writers who would like to be considered for inclusion. There is no charge for inclusion for members. To become a PIRANDELLO writer you must be professionally published (major mainstream publishers as well as cutting-edge small presses) and / or have work that has been professionally performed, broadcast on radio or television or played on stage or made into a film.

To apply to be included in Pirandello please complete this application form:
